God Declared Me Innocent And You Judged Me

Luis Angel López Salazar

God declared me innocent and He forbade you to harm me. But you rebelled against Him and you judged and condemned me. How much damage you have done to the whole world for all your evil! Many years ago I apologized to all my dear brothers, but just as you did not accept my apology, neither will I forgive you until you apologize to all my children in person, and I will not give you the Lord's blessings until you apologize for having judged me.

My Father declared me innocent because I have a pure heart, and He condemned you to the fire of hell for all your sins, ESRI. He forbade you to harm me, but you rebelled against Him and you have judged and defamed me, and because of you, many souls have been lost. "Woe to you, hypocrites! You shut the kingdom of heaven in men's faces. You yourselves do not enter, nor will you let in those who wish to enter." (Matthew 23:13) I apologized to my dear brothers many years ago in 2010. My Father declared that my apology was good and honest. Even so, I also offered my dear brothers to apologize to them in person, if they wished, so that they would not get lost, because you poisoned their hearts against me and against the truth, and you have harmed all of them very much. My Father gave me His Blessed Light to watch over them, and not to hurt them. He sent me to this world to suffer for them so that they could be happy. I invited all of them to be with me but none of them answered me.

However, you lie and say that I have never apologized to them to continue to do evil and continue to hurt me. If you want me to apologize to my dear brothers in person, I am very happy doing it because I love them very much. That is why I wrote a beautiful love poem to apologize to all of them, even after my Father had declared me innocent, and I invited all of them to take up their cross and follow me. But just as you say that my apology is not valid, I will not forgive you either until you repent with all your heart for all your sins and confess the whole truth to the whole world.

Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you. Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye? How can you say to your brother, "Let me take the speck out of your eye," when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye. (Matthew 7:1-5)

You pretend to apologize to me asking for forgiveness to the wind. But I will not forgive you until you ask very much for forgiveness, not only to God against whom you rebelled, and to me against whom you have always sinned, but also to all my children whom you have hurt so much because you did not let me watch over them. You too will have to apologize to all of them, in person, for all of their suffering. And if they are no longer with us because they have died because you did not let me serve God, then you will have to bring flowers to their tombs as your penance.

ESRI rebelled against God and has always lied and deceived you. If you want to follow them and commit the same sins, you will suffer very much like them. You judge me and say that you will not fulfill the Holy Will of my Father until I apologize to my dear brothers, knowing very well that I have already done it. If you do not want to give me a donation, then do not do it, for it is much better that you give nothing than for you to do it reluctantly. "Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver." (2 Cor 9:7) But if you have not respected the Holy Will of my Father, who declared me innocent, and you have judged me without reason, I will never give you His blessings until you repent for your sins and apologize to me for having judged me.

In life there is only one path; one way, the way of good, leads to happiness, while the other way, the way of evil, leads to damnation. Blessed are those who choose the Lord. But if you do not respect the Holy Will of my Father who declared me innocent, neither can you be happy with His blessings. If you prefer to follow ESRI, who rebelled against the Lord and are condemned to the fire of hell, you will suffer very much like them. Everybody knows where s/he wants to go.
