## **I Am Innocent**

Luis Angel López Salazar

I am innocent. My heart is pure and belongs to the Lord. God is my Judge and my Savior. It is He who defends me from my enemies. “Who will accuse God’s elect? It is God who justifies! Who is the one to condemn?” (Rom 8:33-34) I am a slave of the Lord. I live for the Lord and die for the Lord.

You are a stubborn people that do not listen and do not want to see. How can you demand an apology when it is you the only ones who have sinned, not only against me but against God! Your hearts are full of hatred and malice. You allied yourselves with my enemies that tried to kill me, and rebelled against the Lord, who warned you that He was not going to let you hurt me.

I made mistakes for love, and the Lord forgave me. God says: “Let the person among you who is without sin be the first to throw a stone at her.” (Jn 8:7) You judged me without compassion, knowing very well that my Father had already forgiven me, and you have never stopped hurting me. You opposed God’s Holy Will and hindered me in the fulfillment of my mission. Because of you many poor people were lost.

It is you the ones who need to ask very much for forgiveness for all your sins. “Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you.” (Mt 7:1-2) You judged me without mercy, and without mercy you shall be judged. Repent for all your sins and stop doing evil things! Judgment comes soon for the wicked.

God’s mercy is very great. He took pity on my suffering and gave me His Peace. You did not respect His Holy Will and judged and condemned me without mercy. But the Lord is faithful to His promises and has always defended me from you. If we are with God, who can be against us? Who can oppose His Holy Will? Who will remain standing? If it were not for Him, I would already have died from all the pain that you have caused me. You demand an apology, but it is you the ones who need to apologize very much. I love you very much and suffer for you. May God have mercy on your souls and forgive you for all your evil.
