It is admirable that at that time on that continent, an Indian people of America should have practiced compulsory education for all; that there was not a single Mexican child of the sixteenth century, whatever his social origin, who was deprived of schooling. (p. 138)

They had masters and teachers who would teach and instruct them in all kinds of arts - military, ecclesiastical, and mechanical -and in astrology based on the knowledge of the stars. About all these things they had large and lovely books of paintings and characters.

[Justice System of Ancient Mexico](#)

At dawn the judges would be seated on their mats, and soon people would begin to arrive with their quarrels. Somewhat early, food would be brought from the palace. After eating the

judges would rest a while, and they would continue to listen until two hours before the sun set. In matters of appeal there were twelve judges who had jurisdiction over all the others, and they used to sentence with the sanction of the ruler.

Every twelve days the ruler would meet with all of the judges to consider all of the difficult cases.... Everything that was taken before him was to have been already carefully examined and discussed. The people who testified would tell the truth because of an oath which they took, but also because of the fear of the judges, who were very skilled at arguing and had a great sagacity for examination and cross-examination. And they would punish rigorously those who did not tell the truth.

The judges received no gifts in large or small quantities. They made no distinction between people, important or common, rich or poor, and in their judgments they exercised the utmost honesty with all. And the same was true of the other administrators of the law.

God Forgives but They do Not

*Why do you care what people say,
if I already forgave you?
-God Father*

A long time ago I apologized to the people that I sinned against. God forgave all my sins and I hope they did, too. However, one does not need to apologize to whom one has never hurt. Those proud people that like to judge only seek power. They are the ones who have sinned, not just against me, but also against God, returning evil for good. They like evil and they enjoy to humiliate and defame me. But they cannot see the truth because their hearts are full of hatred. They justify their evil by claiming that I also sinned. God forgives but they do not.

There are people who wonder when I will fulfill the missions that God commended me. But it is they themselves the ones who have hindered me. Many of them do not believe in God and do not respect His House either. The House of God is a place of worship and a refuge for sinners, the sick and the suffering. But they did not let me be close to Him, when I wanted to sing for Him and serve Him, and now they judge me and make fun of me if I fall into temptation. And when I wanted to care for the sick, they went to the Mahikari Dojo with their evil intentions to disturb my peace and they made me suffer very much. Once again I got sick and I could not serve my brothers and sisters anymore. Instead take advantage of God's Mercy and go to receive His Light. After that, I wrote a story for God so I could help many people. But they tried to steal it and they did not let me finish it. I already forgave you and I beg God very much for you. I do not give up either and I keep fighting for our Father's Happiness. God's plans are perfect and His Will is always done.

Poor people with no faith! When will you see the Light? Do not let the devil deceive you anymore. God is very merciful and He does not want to see us suffer. Fight for His Love! Repent your sins and return to Him with a humble and contrite heart so that He may forgive you and you may find happiness. "Love each other as I love you." (Jesus Christ)

When will you see the light...?

- "He apologized to the ones that he hurt, but he doesn't want to apologize to us because he's never hurt us."

- "I know what you mean. But don't say that because you sound really bad."

Nahuatl, the Word of the Universe

Nahuatl (which is derived from *nāhua-tl*, «clear or pleasant sound» and *tlahtōl-li*, «tongue or language») is also translated as «The Word of the Universe». This is due to the fact that it is a language that binds sounds to express ideas, objects or concepts that replicate nature's sounds, it does not make them up. (For example: falling or flowing water; "atl").

Chelsea Manning

If you had free reign over classified networks... and you saw incredible things, awful things... things that belonged in the public domain, and not on some server stored in a dark room in Washington DC... what would you do?

God knows what happens now. Hopefully worldwide discussion, debates, and reforms... I want people to see the truth... because without information, you cannot make informed decisions as a public.

-Quotes from an online chat attributed to PVT Manning

Why does an innocent woman have to pay for the mistakes of others? She tried to do something right and you punished her instead... You judge her but you do not judge yourselves, when it was you the ones who first violated the law. It is an injustice what you did to her, because you don't even respect your own laws.

“Chelsea Manning has been awarded this year's Integrity in Intelligence award for ‘casting much-needed daylight on the true toll and cause of civilian casualties in Iraq; human rights abuses by U.S. and “coalition” forces, mercenaries, and contractors; and the roles that spying and bribery play in international diplomacy.’”

She is innocent. Therefore, I ask you, in the name of our Lord Jesus Christ, set her free, because in the same way that you judge, you will be judged.

Woe to You Evildoers! The Day of Justice is Near

*When the day finally comes, will it surprise you
doing your evil deeds in the shadows
or will you have already repented?
You will never again deceive anybody.
Who will still want to follow you and be like you?
If everybody who sees what you have become will be horrified.*

I have the power to destroy all of you but I let you make fun of me and harm me for the glory of God. God didn't forsake me when He sent me to this world to suffer for you; he gave me the power to defend myself against evil people, like you, who wanted to harm me. But I forgave you and have never hurt you. "He would never [hurt you] because he loves all of you." (Jesus Christ) In my heart, there is only love and there are no feelings of vengeance; I would never think of hurting another human being, like you have done.

"For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God." (2 Co 10:3-5)

Even though you have hurt me so much, I would beg my Father, day and night, to forgive all your sins so you could be saved, just like when I was going to sacrifice my life for you, so you could have eternal life and be happy. "He wants all of you to go to Heaven, and you want him to go to hell. Who do you think I'm going to listen to?" (Jesus Christ) But God didn't allow me to do that then, because he knew how much evil you had in your hearts. You rebelled against Him and have deceived everybody, causing many people to get lost. God doesn't forgive that. My Father will judge you for all your sins.

Where are the Ones who Accused me?

Who shall bring any charge against God's elect?
It is God who justifies.
Who is to condemn? (Rom 8:33-34)

Where are the ones who accused me? If they have something against me, why do they not have the courage to tell me in my face how I have sinned against them, instead of defaming me and making fun of me behind my back? I don't even know them. But my Father who loves me does know me and He knows that I work in the Light and do His most holy will. If you do not have anything to fear, get closer to the eternal divine fire and let God judge, between us, with the Truth. "I will have mercy on whom I have mercy, and I will have compassion on whom I have compassion." (Rom 9:15)

[Follow Your Heart! Don't Stop Dreaming](#)

I remember that, in high school, my AP Spanish Literature teacher liked the essay that I wrote about Love in the Time of Cholera, by Gabriel García Márquez, very much. She was very proud of me and congratulated me, in front of the class, because she said that I wrote like a student from UCLA, but a student who had already graduated. Good teachers always leave their mark on their students' life. But when I applied to go to that university, they rejected me, even though my GPA was over 4.0. But thanks to that, I met many interesting people and learned beautiful things, at other places. That is how destiny took me to UCR, where one of my professors also congratulated me, in front of the class, for a computer program that I created, because he did not think that a faster and more efficient version of the program that he used could be made, and he asked me if he could use it for his work. I reaped many triumphs and learned from my failures. My teachers taught me how to program computers and play music, and I taught them wonderful things that they thought were impossible. I have so many beautiful memories from when I was a student, and I thank God for all the opportunities that He has given me.

[Who are You to Judge?](#)

*I want everybody to know how much I love my child.
- Heavenly Father*

I come from God and serve my Lord faithfully. I have loved my enemies and sowed happiness in the hearts of men. But you don't even have to believe in God to see when a deed is good. One cannot be good and evil at the same time. One is either good or evil. Therefore, do not call evil what is good, nor good what is evil. Do not speak against the Holy Spirit of God.

“For all who have sinned without the Law will also perish without the Law,
and all who have sinned under the Law will be judged by the Law.
For it is not the hearers of the Law who are righteous before God,
but the doers of the Law who will be justified.” (Rom 2:12-13)

How can I do you any harm, if I have always loved you, prayed and begged God for you. But while I protected you, you did do bad things against me and defamed me, turning many away from the Light and into the darkness... Of this, God is my witness. But one does not seek his own glory, but the glory of the One who sent him. Our merits are not even counted, because God's Mercy is much greater than all our sins. “I will have mercy on whom I have mercy, and I will have compassion on whom I have compassion.” (Rom 9:15) He has seen that I am innocent and have a pure heart. Therefore, who are you to judge what God has already forgiven? Who are you to judge when your sins are much worse? You don't even know the Truth and you get lost in your own lies. If He had not forgiven me, I would've fallen from grace and I would've lost His light, like the fallen angels. If He had not defended me, my enemies would've killed me. Then, in the same way that you judge, you too will be judged.

[I Prefer the Sweet and Exquisite Aroma of Roses of My Lord Jesus Christ](#)

I have experience with fragrances, because bad people have sprayed air freshener on me, for no reason other than to laugh at me and make me suffer. They treated me so badly, that even I believed them.

Heavenly Father: You've never had any problem.

Saint Peter: They've been very cruel to him.

But I prefer the sweet and exquisite aroma of roses of my Lord Jesus Christ.

That blessing will be the seed that I will sow,
and I know that it will give You many fruits of love.
With my tears, I will joyfully water it,
so that its fragrant candor may always be pleasing to you.

[Happiness or Death?](#)

You imitate ESRI in all their sins and all their errors.
But when they are finally thrown into the abyss,
will you follow them too?

False prophets do not speak the truth nor serve God.
I only brought you the beautiful message of
love and hope that my Lord Jesus Christ gave me for you,
so that you could be happy.

But you call me crazy and make fun of me
for believing in God's promises and daring to dream.
It pains me so much to see you dragging your chains
and getting lost in the darkness.

If you want to end up badly, just stay on your path.
But if you want to be happy and have eternal life,
return to God and stop offending Him.
Carry your cross and follow the path of the Lord.

“Temptations to sin are sure to come, but woe to the one through whom they come!
It would be better for him if a millstone were hung around his neck
and he were cast into the sea that that he should cause one of these little ones to sin.” (Lc 17:1-2)

Warning to Rich Oppressors

Now listen, you rich people,
weep and wail because of the misery that is coming on you.
Your wealth has rotted,
and moths have eaten your clothes.
Your gold and silver are corroded.
Their corrosion will testify against you
and eat your flesh like fire.
You have hoarded wealth in the last days.

Look! The wages you failed to pay the workers
who mowed your fields are crying out against you.
The cries of the harvesters have reached the ears of the Lord Almighty.
You have lived on earth in luxury and self-indulgence.
You have fattened yourselves in the day of slaughter.
You have condemned and murdered the innocent one,
who was not opposing you. (James 5:1-6)

Consumer Financial Protection Bureau Settlement with Ocwen

Q: What if I am underwater and delinquent on my mortgage –is Ocwen required to approve a modification?

A: If you are delinquent on your payments or at imminent risk of foreclosure and you owe more than your home is worth, you may be eligible for a loan modification. Although the settlement generally orders Ocwen to provide \$2 billion in principal write-down loan modifications to eligible underwater borrowers, it does not say which consumers get this relief. In other words, **any particular consumer does not have a “right” to a loan modification under this settlement.** For loan modification options, you may be contacted directly by Ocwen. You may also contact Ocwen yourself to obtain more information about specific loan modification programs and inquire whether you may be impacted by this settlement. You can reach Ocwen at (800) 337-6695 or ConsumerRelief@Ocwen.com.

Who gives you the right to discriminate and choose which victims get justice and which don't? We have all been victims of the fraudulent crimes committed by the banks and have suffered equally. What happened to “Justice for all?” The banks just help a few people to fool the public and pretend that they are not committing crimes against homeowners anymore; but in the meantime, they keep abusing and defrauding everybody else.

[Nuclear Weapons](#)

“Prepare the way of the Lord, make his paths straight,”
because you don't know the time when He will return. (Mk 1:3)

Destroy all your nuclear weapons and any weapons of mass destruction. Why do you want to destroy humanity? Man and Earth were both created by God, and everybody who uses these arms of the devil will lose his/her soul. I can assure you of this: do not hide and try to save your lives; it would be much better for you to die in the blast than to suffer in the eternal fires of hell for your crimes against God and against humanity. If the leaders of nations want to fight, let them kill each other and leave the world in peace.

“Come, let us build ourselves a city and a tower with its top in the heavens, and let us make a name for ourselves, lest we be dispersed over the face of the whole earth.” (Gn 11:4)

[Wisdom 5:17-23](#)

“The Lord will take his zeal as his whole armor,
and will arm all creation to repel his enemies;
he will put on righteousness as a breastplate,
and wear impartial justice as a helmet;
he will take holiness as an invincible shield,
and sharpen stern wrath for a sword,
and creation will join with him to fight against his frenzied foes.
Shafts of lightning will fly with true aim,
and will leap from the clouds to the target, as from a well-drawn bow,
and hailstones full of wrath will be hurled as from a catapult;
the water of the sea will rage against them,
and rivers will relentlessly overwhelm them;
a mighty wind will rise against them,
and like a tempest it will winnow them away.
Lawlessness will lay waste the whole earth,
and evildoing will overturn the thrones of rulers.”

Take care of the planet. Respect mother nature; do not abuse her kindness. Sow the land, reap its fruits, give thanks to God for His blessings. In this way, you shall be happy.

They take advantage of my innocence, in order to enrich themselves, and do me great harm by not allowing me to do my Father's Will. May God forgive them.

[Unjust Taxes](#)

It is not right for the government to charge a death tax. Those goods are the fruit of the hard work and sacrifice of a lifetime. The government does not deserve anything of the parents' legacy to their children and has no right to collect, again, the taxes that it has already collected.

It is not right for the government to take advantage of the generosity of people, either, and collect taxes on their gifts. Kindness is a virtue, an act of love; it is a blessing to be able to give. May government not interfere in the affairs of the heart.

[Treasures in Heaven - A Person's Worth](#)

A person's worth is not measured by how much money s/he has accumulated, but by the goodness that is in his/her heart.

Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also. (Mt 6:19-21)

May the one who wants to be perfect carry his/her cross and follow the Lord.

As Jesus started on his way, a man ran up to him and fell on his knees before him. “Good teacher,” he asked, “what must I do to inherit eternal life?”

“Why do you call me good?” Jesus answered. “No one is good – except God alone. You know the commandments: ‘You shall not murder, you shall not commit adultery, you shall not steal, you shall not give false testimony, you shall not defraud, honour your father and mother.’”

“Teacher,” he declared, “all these I have kept since I was a boy.”

Jesus looked at him and loved him. “One thing you lack,” he said. “Go, sell everything you have and give to the poor, and you will have treasure in heaven. Then come, follow me.”

At this the man's face fell. He went away sad, because he had great wealth. (Mk 10:17-22)

If German and Japanese technologies are recognized everywhere in the world, imagine how wonderful and amazing your discoveries will be when you awaken from your slumber, Guardians of Time! Europeans owe their progress and prosperity to the riches of America and the slavery of the Indians. They were indeed astonished by your greatness and splendor when they came to “discover” you. But they destroyed your civilization to possess the gold: they murdered your wise men and burned your books because they could not understand them. In the meantime, your brave warriors died from diseases in a dirty and cowardly war. But they did not annihilate your heart. Your ancestors’ millenary wisdom survives in you. [We are Servants of God](#)

We are Servants of God

*If he is good, why was there fire in his eyes?
Because he was looking into your soul.
He showed you hell,
and now he is showing you Heaven.
-Jesus Christ*

Who prays always at the Lord’s holy feet and who mocks him? Who protects you with God’s blessed light and who invites you to sin? Who loves your happiness and who wants to see you suffer in hell?

Then they brought him a demon-possessed man who was blind and mute, and Jesus healed him, so

that he could both talk and see. All the people were astonished and said, "Could this be the Son of David?"

But when the Pharisees heard this, they said, "It is only by Beelzebul, the prince of demons, that this fellow drives out demons."

Jesus knew their thoughts and said to them, "Every kingdom divided against itself will be ruined, and every city or household divided against itself will not stand. If Satan drives out Satan, he is divided against himself. How then can his kingdom stand? And if I drive out demons by Beelzebul, by whom do your people drive them out? So then, they will be your judges. But if it is by the Spirit of God that I drive out demons, then the kingdom of God has come upon you.

"Or again, how can anyone enter a strong man's house and carry off his possessions unless he first ties up the strong man? Then he can plunder his house.

"Whoever is not with me is against me, and whoever does not gather with me scatters. And so I tell you, every kind of sin and slander can be forgiven, but blasphemy against the Spirit will not be forgiven. Anyone who speaks a word against the Son of Man will be forgiven, but anyone who speaks against the Holy Spirit will not be forgiven, either in this age or in the age to come.

"Make a tree good and its fruit will be good, or make a tree bad and its fruit will be bad, for a tree is recognized by its fruit. You brood of vipers, how can you who are evil say anything good? For the mouth speaks what the heart is full of. A good man brings good things out of the good stored up in him, and an evil man brings evil things out of the evil stored up in him. But I tell you that everyone will have to give account on the day of judgment for every empty word they have spoken. For by your words you will be acquitted, and by your words you will be condemned."
(Matthew 12:22-37)

Therefore, do not make fun of the Lord's sacred things. Learn to love and respect God. "Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus." (1 Thessalonians 5:16-18)

[God is Always with Us](#)

- It must take guts to be alone...

My dear little brother,

The Lord sends His servants to this world to suffer. But we are never alone. God is always with us and doesn't abandon us. "Remember that you must never be afraid, because I am always with you, protecting you." (God Father) That is why we go through life without fear of anything, because we trust in our Father, in His Promises, in His Mercy, and we know that He always watches over us.

[Why Are You So Obsessed With Me?](#)

You are always stalking me everywhere I go. You do not let me study in school and do not even respect the House of God. Some of you have tried to murder me in my own home and have hacked into my computer to steal from me. You are always videotaping me and harassing me. And now you claim that I am the one who's obsessed with you? Who are you trying to kid? You have hurt me so much and, nevertheless, you cry and fall in love with me just by seeing me the first time. In this way, you should fall in love with God, our Lord, with all your heart and with all your soul. Learn to be humble so that you may really be happy.

7/26/2016

[You Have No Fear of God](#)

Is it not true that God said “[I gave him power] so that he could defend himself against evil people like you.” Every time I sought justice from you so that I could survive against the people who hurt me and tried to kill me, you mocked me and even threatened me. If you do not respect your own laws, God will do me justice.

[Dear Employers](#)

Dear Employers:

As an employer, you are responsible for the health and well-being of your employees. We voters approved an increase of the minimum wage so that all workers could have a better quality of life. But you took advantage of this opportunity to increase your prices, under the pretext of paying better salaries to your employees, when you should have paid them a decent salary from the very beginning. You thus increased your profits... Tell me, what merit is there in providing medical benefits to all your employees when you expect your clients to pay for what you do not want to pay? Treat your employees with respect and dignity, as you would want to be treated.

Sincerely,
Luis Angel

[You have Never Apologized to Me](#)

You have never apologized to me. You apologize to the wind because you do not want to apologize to me. Is it that difficult to say I'm sorry? If you want to apologize to me, do it as God

commands. And if you cannot be with me, write me a poem. Your apologies are meaningless, if there is no contrition in your heart, if you continue to offend me.

[Be Generous and Live Happily](#)

You already know God's Will. His servants have the right to live on the charity of their brothers and sisters. But we do not enforce our rights for love of you, to give you the opportunity to be rewarded for your generosity, for the good of your souls. As our dear brother Saint Paul taught us: "Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver." (2 Cor 9:6-7) You know very well that we have nothing, and yet we give everything for you. For the Lord, nothings is impossible and He "harvests where He has not sown and gathers where He has not scattered seed." (Mt 25:26) Therefore, be generous of heart and live happily.

Mexicans, do not be afraid. Trust the Lord. He is your salvation. With him, you shall prosper and be happy. With him, you shall live forever. “Do not be afraid of those who kill the body but cannot kill the soul. Rather, be afraid of the One who can destroy both soul and body in hell.” (Mt 10:28)

[Israel](#)

We love our Jewish brothers and sisters very much. But we are very upset with the Israeli government. Remember how God has always punished you every time that you have become proud and rebellious. Can your allies save you from your enemies, as Egypt did? If you think that you will be happier with an evil, racist man who does not even mention the Jews when he talks about the Holocaust, and who is responsible for the suffering of the Jews in America, then good luck. It would be better for you to learn who your true friends are and apologize publicly. Otherwise you might be left alone.

[The Glory of God will Shine Everywhere](#)

Jesus Comes to Jerusalem as King

If they keep quiet, the stones will cry out.

After Jesus had said this, he went on ahead, going up to Jerusalem. As he approached Bethphage and Bethany at the hill called the Mount of Olives, he sent two of his disciples, saying to them, “Go to the village ahead of you, and as you enter it, you will find a colt tied there, which no one has ever ridden. Untie it and bring it here. If anyone asks you, ‘Why are you untying it?’ say, ‘The Lord needs it.’”

Those who were sent ahead went and found it just as he had told them. As they were untying the colt, its owners asked them, “Why are you untying the colt?”

They replied, “The Lord needs it.”

They brought it to Jesus, threw their cloaks on the colt and put Jesus on it. As he went along, people spread their cloaks on the road.

When he came near the place where the road goes down the Mount of Olives, the whole crowd of disciples began joyfully to praise God in loud voices for all the miracles they had seen:

“Blessed is the king who comes in the name of the Lord!”
“Peace in heaven and glory in the highest!”

Some of the Pharisees in the crowd said to Jesus, “Teacher, rebuke your disciples!”

“I tell you,” he replied, “if they keep quiet, the stones will cry out.”

(Luke 19:28-40)

[I Am Innocent](#)

Why do you judge me? If it is God who declares me innocent. And what do you accuse me of? If the Lord is the one who defends me. “Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you. “Why do you look at the speck of sawdust in your brother’s eye and pay no attention to the plank in your own eye? How can you say to your brother, ‘Let me take the speck out of your eye,’ when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother’s eye.” (Mt 7:1-5) You rebelled against God and attacked me; you did not let me fulfill His Holy Will. How many innocents have died because of you? Millions of people and, still, you continue to attack and hinder me.

You say that I have never apologized for my sins, but that is a lie to hurt me. If that were so, then God would not have forgiven me, and He would not give me so many blessings and so many miracles that cannot even be counted. And if God forgave me, why do you not respect His judgment? ¿Are you, perhaps, greater than the Almighty? But even you, in the midst of all your evil, are capable of recognizing the truth: “He apologized to the people that he hurt, but he doesn’t want to apologize to us because he has never hurt us.” Perhaps if I had apologized to the wind, as you do to not apologize to me, instead of having written a very beautiful poem, with all my love, “To Whom I Never Wanted to Hurt”, so many years ago, then you would not judge me. But the world rejects everybody who comes from God. If you do not repent for all your sins and

come back to God, with a contrite and sincere heart, you will suffer very much.

[Stop Doing Evil and Come Back to God](#)

Why do you want to steal the beautiful things that I create, in the name of the Lord? Why do you insist so much on not letting me fulfill God's Holy Will? Have you not done enough damage already? Or how many more innocent people will have to suffer because of you? My creations are holy offerings to the Lord, and will never be yours, Cain. Repent for all your sins and stop doing evil, so you do not damn your soul to hell like the people of ESRI.

Do not say that you have already apologized to me, because that is not true. If you really want to apologize to me, if you want my forgiveness, if you want to have peace and be happy, do it as God commands, with a contrite heart.

If you want to apologize to the wind, let the wind forgive you. If you want my forgiveness, then apologize to me. But if you cannot be with me because of the distance, then write me a letter or a poem, as I did when I apologized to the people that I sinned against. You already know my email and address.

It is interesting how the World Health Organization and the Center for Disease Control and Prevention do not report any cases of HIV cured people. The news also stay silent about the

You Rebelled Against God

How many more innocents have to suffer because of you, ESRI and allies? “Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5.” (UNICEF) Millions of people have already died because of you and, still, you continue to attack and hinder me. You do not let me serve God. I have already told you this: If you truly want to apologize to me, do it as God commands. And if you cannot be with me because of the distance, then write to me a poem, as I did when I apologized to the people that I sinned against. And if you don't know how to write poetry, then at least send me a letter. Do it with a humble and contrite heart; do it with love. But if you prefer to apologize to the wind, then let the wind take away your apology; to me, it is useless.

The Lord gave me the power to take care of the sick; He did not send me to give gifts to the poor. 7/28/2017

[I Did Apologize To My Brothers](#)

If I have never apologized to my brothers, like you affirm, then why did God forgive me? Why do I shine with His blessed light? Why does He give me so many miracles and so many blessings that cannot even be counted? Why does He love me so much, if I am just a miserable sinner and you are decent people?

But if God declared me innocent, then what do you accuse me of? God forbade you to hurt me, but you rebelled against Him and tried to kill me to stop me from fulfilling His Holy Will. To this day, you continue attacking me and do not let me fulfill my missions. You do not even care about the suffering of the poor. You have no fear of God. You shut the kingdom of heaven in men's faces. You yourselves do not enter, nor will you let in those who wish to enter.” (Matthew 23:13) For having rebelled against God, you will wish you had never been born.

Why do you not want me to help people who are suffering? Are you that heartless that you do not even care that millions of people are dying? How many more innocents must suffer because of you! But your only concern is to save your reputation and for everybody to see you as decent people.

- Not only do I help my children in Africa, but everywhere in the world; and not with “likes”, like you accuse me of, but with my faith in God, with the power that God gave me to serve Him. The bread and wine that I give to just one of them, in just one day, is worth more than all the money that you may earn in your whole life, because they come from God. love so they may be very happy? Many of them have no mom or dad and are alone in this world, they have no access to education, they can't play and have fun like children, they don't even have bread to eat. Will you watch over them? Will you do all the things that I do for them, if one day I could not help them anymore because of all the harm that you have done to me? No, you do not care about their suffering. Because of you many of them have already died, because you did not let me serve God.

I bought a video game to be able to deal with all my anxiety and depression. But my enemies did not let me install it and each time they disconnected me from the Internet. They always seek to make me suffer. They did not let me go to school nor pray in the house of my Father. Everywhere I went they harassed and defamed me, and did not leave me alone. Many times I nearly died from all the harm that they did to me. Video games were a refuge to distract myself and not remember all my pain; to be able to survive. To this day, I still need psychological help for all the injuries that they have caused me. But even medicines can not cure me. However, they have never become responsible for my health care nor do they care. On the contrary: they keep attacking me and making me sicker every day to kill me and stop me from fulfilling my missions. They enjoy making me suffer because they rebelled against God and are condemned to the fires of hell. They do not care about the suffering of others or how many innocents die because of them; they only care that everybody sees them as decent peoples.

Writing my stories gave me hope and helped me very much to survive when I was dying from all the evil things that

you did to me. But you hacked into my computer to steal from me and hurt me and did not let me serve God. Because of you many innocents have died. Therefore, I will never give you God's blessings.

That is why some of them have stolen my programs. But I would like to see them walk a mile in my shoes. None of them would have survived a war against evil like I have fought, for the glory of God and the salvation of this world. In fact, none of them could even have survived a psionic heart-attack from ESRI. And, sadly, some of them have already been murdered by them. My enemies rebelled against God, and He will do me justice.

[How many more Innocents Must Die because of You?](#)

I continue to try to do my Father's Holy Will and save countless lives. But ESRI and their accomplices continue to attack me and do not let me fulfill my missions. Millions of innocents have already died because of them because they did not let me serve God, in all of those years that they harmed me so much and almost killed me. "Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5." (UNICEF) And yet, they continue to do so much harm to so many people.

They hack into my computer and do not let me work. They have already destroyed a new

computer to hurt me, and they continue to attack me to not let me fulfill my missions. They infect my computer with viruses, they disconnect me from the Internet, they do not let me access my own files and do not let me conduct my research on AIDS, Education, World Hunger and Poverty and so many other humanitarian causes that affect the whole world, and now they do not even let me use the computer mouse... and everything because they think it's fun to hurt me, because they are already condemned to the fire of hell.

You can never justify your evil deeds, because I did apologize to all my dear brothers, "To whom I never wanted to hurt", many years ago, on January 10, 2010. God forgave all my sins and declared me innocent. That is why I shine with His Holy Light and He gives me so many miracles and so many blessings that cannot even be counted, like the stars of Heaven, like the sand of the sea. But he also condemned you to hell for all your evil, for trying to kill me, and forbade you to hurt me. But you rebelled against Him and have caused great suffering to the whole world. You can never justify the death of millions of innocents who have died because of you, because you did not let me serve God. You are guilty of crimes against humanity.

But he thought that I was going to kiss him on the lips and moved back. Then he bragged to all his friends that I had tried to seduce him so that he would not leave me... Each story has two sides when people go their separate ways: the truth and the lie.

3/30/2018

[Who do You Want to Protect from God's Servants](#)

You Hack into my Computer only to Hurt me and not Let me Fulfill my Missions

First, God declared me innocent and forbade you to hurt me. Therefore, you can never justify having rebelled against Him and having attacked me.

Second, who do you want to protect from God's faithful servant, whom God sent to this world to heal them of AIDS? You did not let me pray for all of them in the House of my Father, either, or see them in the Mahikari Dojo, because you do not care about them.

Third, you hack into my computer, not to protect anybody, but the total opposite! You delete my browsing history to not let me do my research on AIDS, you do not let me access my own AIDS research files and so many other evil things that you do only to make me suffer. You also hack into my second computer that is not even connected to the Internet only to steal my beautiful stories that I write with so much love for God to fulfill my missions. You steal from me and boycott me because you do not want me to serve God.

Because of you, many of them have already died of AIDS, because you did not let me serve God. And you continue to hack into my computer and attack me. Innocent people continue to die because of you because you do not let me serve God, while you make fun of me. Who do you want to protect from God's servants? Who do you want to protect from the truth? Only yourselves, evil people.

Native American Genocide

Native American Genocide

“The practice of separating families amounts to arbitrary and unlawful interference in family life, and is a serious violation of the rights of the child.”

- Ravina Shamdasani

UN Human Rights Office Spokesperson

The U.S. government wants to separate children from their parents, which is a clear violation of international human rights laws, just like when it used to separate our Native American children from their mothers and their families to torture them and kill their spirit... Probably Attorney General Jeff Sessions “does not recall.” He wants to talk about “lawlessness”? Those poor people are not the illegal ones here, they have not “invaded” or “stampeded” this land. This is THEIR land; the land that you stole from them by force, and that my Father gave back to me. This is not the Trump era (“America First”, “Make America Great Again”); it never has, and it never will. Do not be mistaken. Only God is Great. [Why Do You Not Want My Children To Be Happy?](#)

**Why Do You Not Want My Children To Be Happy?
Why Do You Continue To Rebel Against God?**

You never give them anything. You forget about them and let them starve to death.

ESRI and its accomplices continue to attack me and do not let me serve God. You know that they have hurt me and tried to kill me for many years already, since 2005, to stop me from fulfilling my missions. And many times I have been on the verge of death. They do not care how many innocent people suffer and die because of them, because God condemned them to the fire of hell. But when I sought justice from the government, it did nothing but defend them and threaten me... They have not let me work on my computer for many days already, and have not let me create my stories for many years; that is why I have been very depressed and have suffered very much because I cannot serve God. I have even thought, with much sadness, because you know how much I love you, that maybe this year I will not be able to give you your little Christmas gifts that I always give you, with all my love, dreaming of your happiness. I love you very much and always pray to God for all of you. May God bless you always.

Recently, I bought a brand new laptop computer at Best Buy. I also bought their Protection Plan and asked them to install some software that same day. After they installed it, I asked them to remove the wireless card because I wanted to have an air-gapped system that was more protected against hackers to be able to work. But without my knowledge, they also infected it with malware to help my enemies hack into my computer and continue stealing from me.

Breaking Covenant by Withholding Tithes

Will a Mere Mortal Rob God?
Yet You Rob Me

“I the Lord do not change. So you, the descendants of Jacob, are not destroyed. Ever since the time of your ancestors you have turned away from my decrees and have not kept them. Return to me, and I will return to you,” says the Lord Almighty.

“But you ask, ‘How are we to return?’

“Will a mere mortal rob God? Yet you rob me.

“But you ask, ‘How are we robbing you?’

“In tithes and offerings. You are under a curse—your whole nation—because you are robbing me. Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this,” says the Lord Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it. I will

prevent pests from devouring your crops, and the vines in your fields will not drop their fruit before it is ripe,” says the Lord Almighty. “Then all the nations will call you blessed, for yours will be a delightful land,” says the Lord Almighty.

You Give Them Their Gifts!

I spend a lot of time planning and preparing the gifts that I give to my children for Christmas. But almost always I can't resist the desire to see them happy and I end up giving them their little gifts way ahead of time. Then I have to think again about what else I can give them for Christmas, and I spend the whole year doing the same: dreaming about their beautiful happiness.

You never give them anything, you forget about them and let them die of hunger. You have no right to ruin their happiness, evil people!

My children

You rebelled against God, who forbade you to harm me, and attack me, hack into my computer and hurt me very much to not let me serve the Lord. Because of you millions of innocents have already died. But, even so, you do not repent your sins...

Why do you continue to ruin my children's surprises? I forbade you to do that. Don't just

tell them what I'm going to give them. You yourselves give them their gifts, if you really care about them! Stop ruining their happiness and do something good for all of them instead!

But you have never cared about them, and you continue to hurt me very much to not let me fulfill my missions, while you make fun of me and they continue to suffer.

[You Acquired my Medical Records Illegally](#)

You rebelled against God who forbade you to harm me and you attacked and defamed me until you made me very sick and almost killed me of so much pain. After that you judged me because I was always thinking bad thoughts, when it was you yourselves who were responsible for all my ailments. If even saints fought against bad temptations, why would the devil take pity on a poor sinner?

Therefore, in order to keep me from becoming conceited, I was given a thorn in my flesh, a messenger of Satan, to torment me. Three times I pleaded with the Lord to take it away from me. But he said to me, “My grace is sufficient for you, for my power is made perfect in weakness.” (2

Corinthians 12:7-9)

You did not take pity on me either. You made fun of me and did not let me serve my Father in His House. Not happy with having made me sick, now you violate your own laws again and obtain my medical records without my authorization, when I am trying to get better from all the damage that you have caused me; just like when ESRI falsified my identity in order to acquire my medical records when I worked for them. Do not commit the same sins as those evil people who are condemned to the fire of hell.

Please forgive me. I don't want to offend any of you, but I have a problem...

Saint Peter: They've been very cruel to him.

Isn't it strange how you enjoyed being with me until my enemies poisoned your heart against me and told you that I stank? Then you also made fun of me and offended me like them, even though you were the only ones who could smell anything. Your friendship was worthless.

Now foolish people make fun of me when they pass gas near me and they smell bad. But their evil cannot hurt me anymore, because the Lord saved me from ESRI and condemned them to the fire of hell for all the damage that they did to me.

Jesus Curses a Fig Tree

The next day as they were leaving Bethany, Jesus was hungry. Seeing in the distance a fig tree in leaf, he went to find out if it had any fruit. When he reached it, he found nothing but leaves, because it was not the season for figs. Then he said to the tree, "May no one ever eat fruit from you again." And his disciples heard him say it.

In the morning, as they went along, they saw the fig tree withered from the roots. Peter remembered and said to Jesus, "Rabbi, look! The fig tree you cursed has withered!" "Have faith in God," Jesus answered. "Truly I tell you, if anyone says to this mountain, 'Go, throw yourself into the sea,' and does not doubt in their heart but believes that what they say will happen,

it will be done for them. Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. And when you stand praying, if you hold anything against anyone, forgive them, so that your Father in heaven may forgive you your sins.”

**“For there is Nothing Hidden that Will Not be Disclosed,

(Luke 8:17)**

His eyes are on the ways of mortals;
He sees their every step.
There is no deep shadow, no utter darkness,
where evildoers can hide.

God has no need to examine people further,
that they should come before Him for judgment.
Without inquiry He shatters the mighty
and sets up others in their place.

Because He takes note of their deeds,
He overthrows them in the night and they are crushed.
He punishes them for their wickedness
where everyone can see them,
because they turned from following Him
and had no regard for any of His ways.

They caused the cry of the poor to come before Him,
so that He heard the cry of the needy.

But if He remains silent, who can condemn Him?
If He hides His face, who can see Him?
Yet He is over individual and nation alike,
to keep the godless from ruling,
from laying snares for the people.

**Will a Mere Mortal Rob God?
Yet You Rob Me**

Abel kept flocks, and Cain worked the soil. In the course of time Cain brought some of the fruits of the soil as an offering to the Lord. And Abel also brought an offering—fat portions from some of the firstborn of his flock. The Lord looked with favor on Abel and his offering, but on Cain and his offering he did not look with favor. So Cain was very angry, and his face was downcast.

Then the Lord said to Cain, “Why are you angry? Why is your face downcast? If you do what is right, will you not be accepted? But if you do not do what is right, sin is crouching at your door; it desires to have you, but you must rule over it.”

Now Cain said to his brother Abel, “Let’s go out to the field.” While they were in the field, Cain attacked his brother Abel and killed him.

Then the Lord said to Cain, “Where is your brother Abel?”

“I don’t know,” he replied. “Am I my brother’s keeper?”

The Lord said, “What have you done? Listen! Your brother’s blood cries out to me from the ground. Now you are under a curse and driven from the ground, which opened its mouth to receive your brother’s blood from your hand. When you work the ground, it will no longer yield its crops for you. You will be a restless wanderer on the earth.”

My Children

Why do you not want my children to be happy, ESRI and accomplices? Why do you not want me to give them their little gifts that I give to them, with all my love, with the hope of seeing them happy. If you will not let me do it, then do it yourselves. Give them their gifts! Or is it that you only want to see them suffer and let them die of hunger, and that is why you are always attacking me and do not let me serve God? Million of innocents have already died because of you, and you continue to harm those poor little angels!

Yet you rob Me. You are under a great curse —your whole nation— because you are robbing Me.” (Malachi 3:6-12) Do not fool yourself. You are not under the protection of the Almighty. Quite the contrary, you have rebelled against Him, and are under a great curse. You are digging your own grave and dragging your whole country to its ruin, because you have rebelled against God.

And they spat on Him, and took the staff and struck Him on the head repeatedly.
After they had mocked Him, they removed the robe and put His own clothes back on Him.
Then they led Him away to crucify Him.” (Mt 27:29-31)

You cannot justify your evil. You did not spit in my food because you have a black aura. You have a black aura because you rebelled against God, who forbade you to hurt me, and you attacked me and did not let me fulfill His Holy Will. And you spat in my food, like the Roman soldiers spat in the face of the Lord, because you have an evil heart. You will be judged for all your sins, like you judged me without compassion, knowing that God had declared me innocent. You will not go unpunished.

Hypocrite! Why do not you start by judging yourself, if you also steal and do harm?

Now that is over, corruption is now a serious crime. The one who steals in government, the one who uses public positions to take advantage, the one who gets rich in government goes to jail without the right to bail, to jail without the right to bail. -Andrés Manuel López Obrador

The ex-presidents robbed the Mexican people, but you rob God and glorify yourself. “In the same way you judge others, you will be judged, and with the measure you use, it will be measured to you.” (Mt 7:2) I always supported you, but you rebelled against God, and you repaid my good with evil. Do not mistake the Lord Almighty’s patience for weakness. You have already done enough harm to all mankind. You think that His Divine Justice cannot reach you. That is why you have despised God's Mercy again and again, clinging on to you evil and making fun of the suffering of the innocents that you have caused. Repent your sins and stop doing evil, before it is too late. “The Lord is not slow in keeping His promise, as some understand slowness. Instead He is patient with you, not wanting anyone to perish, but everyone to come to repentance.” (2 Peter 3:9) God is always Just, Wise, Merciful and Perfect. He forbade you to hurt me, and you rebelled against Him. But He is always faithful to His promises. He always takes pity on his faithful servants and punishes their enemies. Nobody is left standing. “The Lord said to my Lord: ‘Sit at my right hand until I put your enemies under your feet.’” (Matthew 22:44) Woe to you, evil people! “What goes into someone’s mouth does not defile them, but what comes out of their mouth, that is what defiles them.” (Mt 15:11) “Don’t you see that whatever enters the mouth goes into the stomach and then out of the body? But the things that come out of a person’s mouth come from the heart, and these defile them. For out of the heart come evil thoughts—murder, adultery, sexual immorality, theft, false testimony, slander. These are what defile a person; but eating with unwashed hands does not defile them.” (Mt 15:17-20)

“I offered my back to those who beat me, my cheeks to those who pulled out my beard; I did not hide my face from mocking and spitting.” (Isaiah 50:6)

“Then the high priest said to Him, “I charge You under oath by the living God: Tell us if You are the Christ, the Son of God.” “You have said it yourself,” Jesus answered. “But I say to all of you, from now on you will see the Son of Man sitting at the right hand of the Mighty One and coming on the clouds of heaven.” At this, the high priest tore his garments and said, “He has blasphemed! Why do we need any more witnesses? Look, now you have heard the blasphemy. What do you think?” “He deserves to die,” they answered. Then they spat in His face and struck Him. Others slapped Him, and said, “Prophecy to us, Christ! Who hit You?” (Mt 26:63-68)

In the world there are many people who do not think for themselves. They are very naive and believe everything that they tell them, without questioning anything. They walk through life with their eyes closed, happy with the lies that they feed them daily. They do not want to see the light nor are they interested in the truth. They do not love freedom and are prisoners of deceit. They tell them, “jump!”, and they jump. ESRI tells them, “do evil!”, and they do it.
