

## No Prophet is Accepted in His Hometown

Luis Angel López Salazar

*“If the world hates you,  
keep in mind that it hated me first”.*  
(John 15:18)

A long time ago, on April 1, 2018, children’s month in Mexico, I invited you, all the nations of the world, to do great good for all of your poor, in the name of our Lord Jesus Christ. But all of you ignored me and none answered me. “The one who rejects me, rejects Him who sent me.” (Luke 10:16) Perhaps you do not care about them... “I was hungry and you gave Me nothing to eat, I was thirsty and you gave Me nothing to drink, I was a stranger and you did not take Me in, I was naked and you did not clothe Me, I was sick and in prison and you did not visit Me.” (Matthew 25:35-36) Instead of doing God’s Holy Will, you have dedicated yourselves to denying His Holy Glory all this time. If the world keeps quite, the stones will cry out.

According to the World Health Organization, Waterborne disease is the world’s leading killer with 3.4 million deaths each year **(9,315 per day)**. Most of the victims are young children. A report published recently in the medical journal *The Lancet* concluded that poor water sanitation and a lack of safe drinking water take a greater human toll than war, terrorism and weapons of mass destruction combined.<sup>1</sup>

### Jesus is Living Water

*“Everyone who drinks this water will be thirsty again,  
but whoever drinks the water I give them will never thirst.  
Indeed, the water I give them will become in them  
a spring of water welling up to eternal life.” (John 4:14)*

Malaria is the largest killer of children. It kills one child every 30 seconds, about **3000 children every day**. Over one million people die from malaria each year, mostly children under five years of age, with 90 per cent of malaria cases occurring in Sub-Saharan Africa.<sup>2</sup>

As of March 12, Coronavirus (Covid 19) has killed a total of 4,613 people worldwide, with 317 people dying that day (the highest number till that date). That is only 10.6% the number of people who die every day because of Malaria, and just a tiny fraction (3.4%) of the number of people who die every day because of waterborne disease.<sup>3</sup>

Ebola is a very contagious disease that has “no” cure, and is considered an extreme biohazard. Data from the World Health Organization, shows that the chances of dying from Ebola virus infection are about 50-percent, with variations between 25 to 90-percent, depending on the strain and the origin of the outbreak. There are five different strains, with the Zaire type of Ebola being the most aggressive, carrying the highest mortality rate – of **over 90-percent**.<sup>4</sup>

As of March 1, 2020, the World Health Organization estimates that Coronavirus (Covid-19) only has a mortality rate of 3.4%, in comparison to the mortality rate of over 90% of Ebola Zaire.<sup>5</sup>

## Love in the Time of AIDS

*“The blind receive sight, the lame walk, those who have leprosy are cleansed,  
the deaf hear, the dead are raised,  
and the good news is proclaimed to the poor.” (Luke 7:22)*

The World Health Organization does not report any cases of HIV cured people. “There is no cure for HIV.”<sup>6</sup> The news also stay silent about the miracles of God. Are you afraid of the truth? Do you not care about the end of this terrible disease which has claimed the lives of millions of men, women and children? “32.0 million [23.6 million–43.8 million] people have died from AIDS-related illnesses since the start of the epidemic (end 2018).”<sup>7</sup> Why, then, do you lie to people? “Nothing is hid that shall not be made manifest, nor anything secret that shall not be known and come to light.” (Luke 8:17) All honor and glory be to You, Lord, forever.

Not only did you not help me to care for your poor, when I invited you to do much good for all of them, but you have even stolen the donations that my Father gives me in His infinite Mercy. We servants of God have the right to live on the generosity of our dear brothers and sisters, but you have lied to the whole world and denied His Holy Glory, and you have not let me fulfill His Holy Will for His Blessed Glory and Happiness. But now that the world is suffering from this Coronavirus pandemic (Covid-19), will you finally be honest? Or will you let your people continue to suffer and die? Everyone will know the truth. The question is whether you will tell them, or whether they will find out that you lied to them.
