Who feels good destroying nature?

You're contributing to the destruction of many trees when you take Ecstasy.

No pongan sus corazones en las cosas de este mundo que sólo son pasajeras.

Mejor busquen a Dios, con todo su amor, para que puedan ser verdaderamente felices.

No se asombren si me ven sufrir. Miren como Dios me lleva en Sus brazos para no caer.

En la vida sólo hay un camino, y cada quien sabe para dónde va.

In life, there is only one way, and every one knows where (s)he is going.

No desprecien las bendiciones del Señor; vivan siempre contentos y agradecidos por lo que Dios les ha dado.

¿Alguna vez has llorado por amor a Dios?

Have you ever cried because you love God?

Your evil followed me into the House of God, where I sought refuge from the things of this world, and you made me suffer very much. Now you dare judge me! You have no respect nor fear of God, and you have no shame.

Sólo los malvados se rien de sus maldades.

Hacking into my computer is wrong and you need to stop doing it. You may think that I am defenseless but I am with God. Do not make the same mistakes that E.S.R.I. has made. In the end, you will have to answer to God for all the bad things that you do against me.

Learn to be humble so that you can be free and lead a truly happy life.

*When you heard that I had a star of light you called me crazy and laughed at me.
Now you seek to profit from it and call me crazy because I talk with God.
Sometimes people believe what is convenient for them.*

It's sad to know that there are people who don't believe in God, even after they have seen His light.

Who wants to be normal, when you can be special!

The sun doesn't stop shining because you don't believe in it.

Como dijo Jesucristo, la casa de Dios es una Casa de Oración. Los fieles vamos a Su casa porque lo amamos y queremos estar cerca de Él. Es una falta de respeto a Dios el estar retratando las personas sin permiso. Vayan a la casa de Dios a rezar y alabarlo y respeten el dolor de otros fieles.

You may not believe in God, but you have sought to profit from His light. If you do not believe in Him, at least don't hinder the ones who want to get closer to Him. "Woe to you lawyers! For you have taken away the key of knowledge. You did not enter yourselves, and you hindered those who were entering." (Lk.11:52)

*¿Puede Dios crear algo tan pesado que ni siquiera Él puede levantar?
- ¿No creó Dios el árbol del que hicieron la cruz que cargo Su Hijo?*

*Can God create something so heavy that not even He can lift it?
- Did He not create the tree from which they made the cross that His Son carried?*

¿Todavía creen que pueden tapar el sol con un dedo, E.S.R.I.? No importa que siempre me estén acechando ni a cuánta gente inocente le mientan sobre mí. Al mal siempre le atrae la luz de Dios y siempre busca destruirla. Quizás se les haga divertido todo el mal que están haciendo, pero acuérdense que el demonio se ríe más fuerte de ustedes. Dios sabe la verdad y su voluntad se va a cumplir aunque ustedes estén tratando de impedirlo. Con razón nuestro señor Jesucristo no les permitió que le tomaran video el día que me defendió de ustedes. Se han perdido en su propia maldad y sus mentiras.

I am a servant of God and only use my gifts for good to fulfill God's will.

When will men stop creating weapons to kill each other? How many weapons does a country really need to feel "safe"? Only vain and selfish governments spend so much money creating weapons of mass destruction. Instead of developing nuclear weapons to threaten humanity, a government could use those resources to develop nuclear fusion and other forms of clean energy to bring prosperity and happiness to its citizens.

A tyrant only wants to hold on to power by keeping his people enslaved and ignorant. A good leader does not waste the country's resources acquiring new weapons, and instead invests that money on his/her people's welfare and education. Knowledge and wisdom are more powerful than brute force. Remember how David slew Goliath with a sling, and how Moses defeated the powerful Pharaoh's army with a staff and his faith in God. They both were very brave and were victorious because they wore God's armor. No harm comes to those who entrust themselves to God. God wants humanity to learn to live in peace and harmony.

Don't worry about what people will think or say about you; worry about God's judgment.

Jesucristo es la verdad. Solamente necesitas abrir los ojos para ver a Dios presente en toda Su creación.

We don't want toxic clothes that make us sick. We want clean rivers and healthy ecosystems!

In 1839, the Chinese Commissioner, Lin Tse-Tsü, sent the following letter to Queen Victoria:

"By what right do they then in return use the poisonous drug to injure the Chinese people? Even though the barbarians may not necessarily intend to do us harm, yet in coveting profit to an extreme, they have no regard for injuring others. Let us ask, where is your conscience? I have heard that the smoking of opium is very strictly forbidden by your country; that is because the harm caused by opium is clearly understood. Since it is not permitted to do harm to your own country, then even less should you let it be passed on to the harm of other countries [...]"

The Chinese emperor banned the manufacture and sale of opium in China, and Britain, not willing to lose her most profitable trade, responded by declaring war.

Que me critiquen y se mueran de la envidia... yo nomás me río.

2012-12-24

It doesn't matter how many hearts you try to poison, with your lies, against me, because I am with God. God is the only truth.

Dios es la única verdad.

God loves homosexuals very much because they are His children, and He also wants them to be happy.

*No hay nada que podamos decir que no haya sido ya dicho,
ni nada que podamos inventar que no haya sido ya creado.
Pero en todas las lenguas y por todos los tiempos,
Dios seguirá siendo siempre alabado.*
