## **Why Do You Not Want My Children To Be Happy?**

Luis Angel López Salazar

Why do you not want my children to be happy? How many more innocents have to suffer because of you, ESRI and accomplices? “Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5.” (UNICEF) If you do not let me serve my Father, you will have to give my children their bread and their gifts, because you rebelled against Him and did not let me fulfill His Holy Will.

You hack into my computer to steal from me and hurt me, and not let me fulfill my missions. If you do not want me to give my children their bread, then do it yourselves. You feed them! Or is it that you only want to see them suffer and let them die of hunger, and that is why you are always attacking me and do not let me serve God? You will never be able to give them the blessed bread and wine of our Lord Jesus Christ, because you rebelled against Him. But if you do not want me to feed them, at least do it yourselves. Every day that you violate the law and hack into my computer and spy on me, and do not let me serve God, you will have to give them their bread and the whole world will know about your crimes.

If you also want to continue ruining my children’s surprises that I give to them with so much hope of seeing them happy, then you will have to give them their gifts. A long time ago I ordered you to stop doing it, but you did not listen to me and continue to ruin their beautiful happiness that I love so much. However, you refuse to give them their little gifts. Why do you continue to hurt them? Have they not suffered enough because of you? Why do you want to continue to make them suffer? If you truly love them, you will have to give them their gifts to each one of them to whom you ruin his/her happiness.

Let the whole world know who comes from God and who rebelled against Him. Let the whole world know that my Father declared me innocent and that He condemned you to the fire of hell for all of your crimes. It is not possible that MILLIONS of INNOCENTS have already died because of you, because you did not let me serve God, and still, you continue to attack me and make fun of me, while those poor little angels continue to die because of you! You are evil murderers and you continue to commit your horrible crimes with absolute impunity. If the hypocritical United States government defends you, the Almighty will do me justice.

It is not fair that those poor little angels continue to die because of you, while you make fun of me. If you do not let me serve God, you take care of my children. Stop hurting them so much. They are the happiness of our Father; His Blessed Heart delights in their innocence. “Love one another, as I have loved you.” (John 13:34) Repent your sins and stop doing evil.
