You Spat in the Face of Our Lord Jesus Christ

I sent three letters to Chevy's Fresh Mex and California Pizza Kitchen, in regards to the pain and suffering that they caused me. While I was doing my Father's Holy Will and saving millions of innocent lives, they were attacking me and making me sick, and did not let me serve God. Because of them, many people died. But they did not care and never bothered to reply to me.

First Letter

To whom it may concern:

My name is Luis Angel López. I am a servant of God. I feed the poor of the world, comfort the sick and suffering, and protect the innocent. "Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5." (UNICEF) The food that I give my children comes from God and is pure. I only give them the best things in life.

The best wine

I bless their bread and wine, in the name of our Lord Jesus Christ; I bless and rejoice in their happiness. I love serving God and fulfilling His Holy Will. Therefore, it would never occur to me to do something so evil, such as spit in my children's food, like you spit in the food of your patrons. It reminds me of the cruelty of the Roman soldiers who tortured the Lord without mercy. "I offered my back to those who beat me, my cheeks to those who pulled out my beard; I did not hide my face from mocking and spitting." (Isaiah 50:6) Not only is what you are doing very disrespectful, but you are also putting in danger the health of your patrons by serving adulterated and unsafe food. Even worse, while I am trying to save innocent lives, you are attacking me, hurting me and making me sick, and do not let me serve God. Do you not care that millions of poor people are dying of starvation? If you do not do anything for them, at least do not hinder God's servants who love them very much and want to see them happy.

Sincerely,
Luis A. López

The Passion of Christ

“And they twisted together a crown of thorns and put it on His head. They put a staff in His right hand and knelt down before Him to mock Him, saying, “Hail, King of the Jews!” And they spat on Him, and took the staff and struck Him on the head repeatedly. After they had mocked Him, they removed the robe and put His own clothes back on Him. Then they led Him away to crucify Him.” (Mt 27:29-31)

Second Letter

To whom it may concern:

I contacted you a month ago to complain about an experience that I had at one of your restaurants in [locations], and I still have not received a reply from you. My ticket number is [...].

Here's a copy of the original letter that I sent you on [date]:

This is a very serious matter and I expect you to treat it accordingly and try to resolve it. Please respond to me as soon as possible. Thank you.

Sincerely,
Luis A. López

"Then the high priest said to Him, "I charge You under oath by the living God: Tell us if You are the Christ, the Son of God." "You have said it yourself," Jesus answered. "But I say to all of you, from now on you will see the Son of Man sitting at the right hand of the Mighty One and coming on the clouds of heaven." At this, the high priest tore his garments and said, "He has blasphemed! Why do we need any more witnesses? Look, now you have heard the blasphemy. What do you think?" "He deserves to die," they answered. Then they spat in His face and struck Him. Others slapped Him, and said, "Prophecy to us, Christ! Who hit You?" (Mt 26:63-68)

Third Letter

To whom it may concern:

This is the third time I contact you, since [dates] (Ticket #[...]), and I have not received a reply from you. You simply do not care about the well-being of your patrons. Therefore, let the whole world know that while I was doing my Father's Holy Will and saving millions of innocent lives, you were attacking me (spitting in my food) and making me sick and did not let me serve God. Because of you many people have died. "Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5." (UNICEF)

*"Every 3.6 seconds one person dies of starvation. Usually it is a child under the age of 5."
(UNICEF)*

But you only laugh and brag about your actions. Perhaps you are even proud of hurting innocent children and that is why you have never bothered to reply to my emails. Therefore, cursed be you forever, evil people. You have no fear of God. How many more innocents have to suffer because of you? You will not have peace until you apologize for all your sins, and return to God with a humble and contrite heart.

Sincerely,
Luis A. López

You will never taste the bread and wine of our Lord Jesus Christ.
