My First Love

*When I was little
and you were a young man
it was me who watched over you.*

My love,

*Forgive me for never having told you how much I loved you.
I tried so many times and every time I lacked the courage.
But it wasn't cowardice, but love.
You never would've understood and you would've suffered very much.*

*I was just a girl who was beginning to discover love.
And you were already a grown man,
a very beautiful and handsome young man
who stole my heart.*

*I would've waited for you until the end of the world ...
But, between us, there was this huge and terrible barrier
that separated us and hurt me so much.
I was a prisoner and suffered
in a body that was not mine.*

*Thus, one day you walked by me,
without even remembering me.
My soul wept of love for you.
Perhaps in another life we will find each other again,
and I will have the courage to tell you how much I love you.*

*Maybe you will never read this, and if you do, you will not know that it was you,
my first love, the most pure and innocent...
You live in my heart and I always remember you with so much love.
Wherever you are, I wish you so much happiness.*

*I love you,
Mandy*
