My First Love

*When I was little
and you were a young man
it was me who watched over you.*

My love,

*Please forgive me for never having told you how much I loved you.
I tried so many times and every time I lacked the courage.
But it wasn't cowardice, but love.
I fell in love with you the first time I saw you,
and I've never wanted you to suffer for me.*

*I was just a girl who was beginning to discover love.
And you were already a grown man,
the most beautiful and handsome young man
who stole my heart.*

*I would've waited for you until the end of the world ...
But, between us, there was this huge and terrible barrier
that separated us and hurt me so much.
I was a prisoner and suffered in another body.*

*I can travel across the universe
and play with the stars.
But, being so close to you,
I could never give you a hug.*

*Thus, one day you walked by me,
without even remembering me.
My soul wept of love for you.
Perhaps in another life we will find each other again,
and I will have the courage to tell you how much I love you.*

*Maybe you will never read this, and if you do, you will not know that it was you,
my first love, the most pure and innocent...
You live in my heart and I always remember you with all my love.
I have never stopped loving you for a single moment.
Wherever you are, I wish you are very happy.*

*I love you,
Mandy*
